

# KASASI API INTEGRATION

## USER MANUAL

**Ljubljana, 12. June 2023**

## Introduction:

In the next following steps, we will explain how to create API token for Kasasi into mobileWEB application.

### Step 1:

User login to mobileWEB application <https://mobileweb.cvs-mobile.com>

**IMPORTANT!!! Only users who are owners or admin users can edit this function.**

**Step 2:**

After successful login, user first create group of vehicles. This step must be done if they only need to display certain group of vehicles. If all vehicles need to be displayed there's no need to create separate group of vehicles

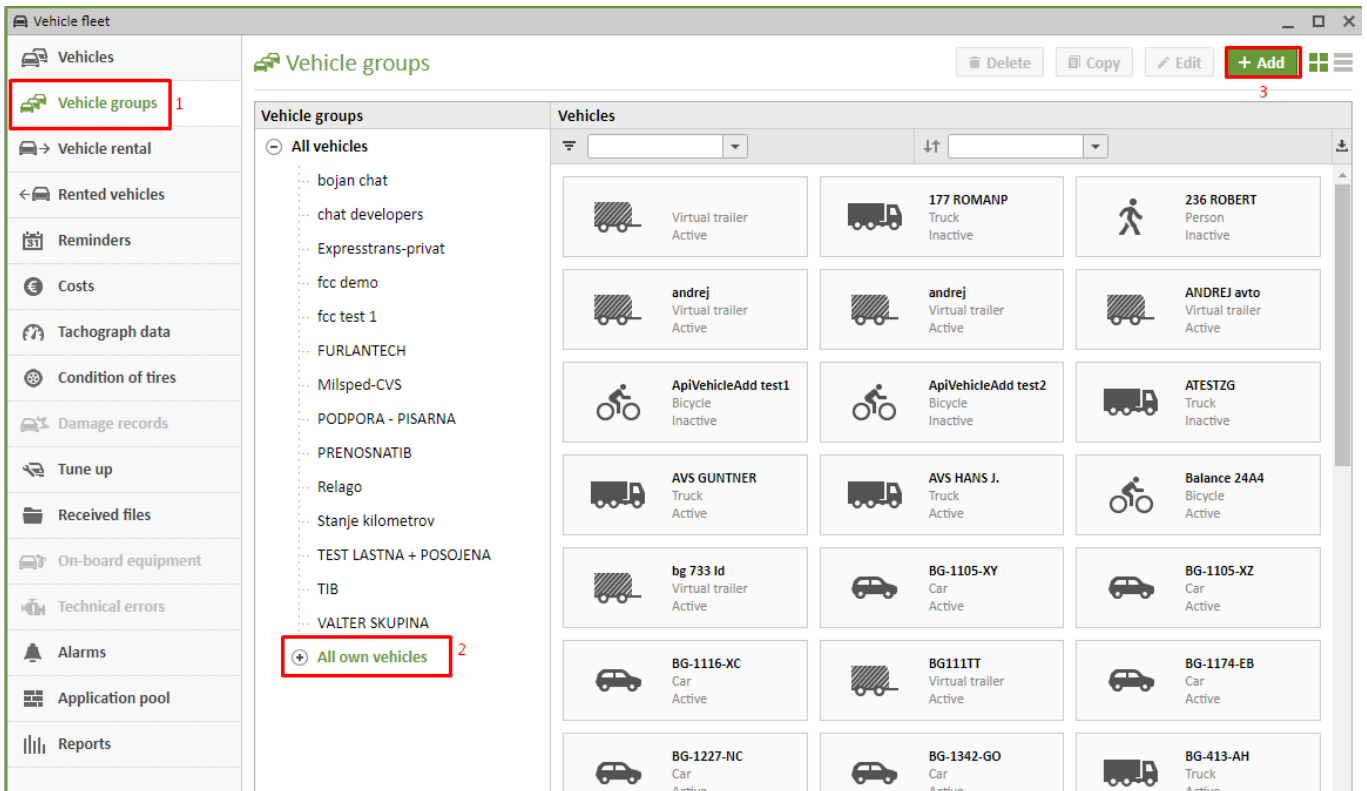

**Select icon of car (Vehicle fleet)**

**New window opens**

Here user select

- Vehicle groups(1) then goes under
- All own vehicles(2) and
- + Add(3)

When we press +Add, new window opens Vehicle group data. We create name(1) (in our case we created "Kasasi") then select vehicles(2) checkbox and press save(3). Group is now created.

Vehicle group data

Name  1      Status       Assigned drivers

Select all

Car

TEST DIAGN

Tractor unit

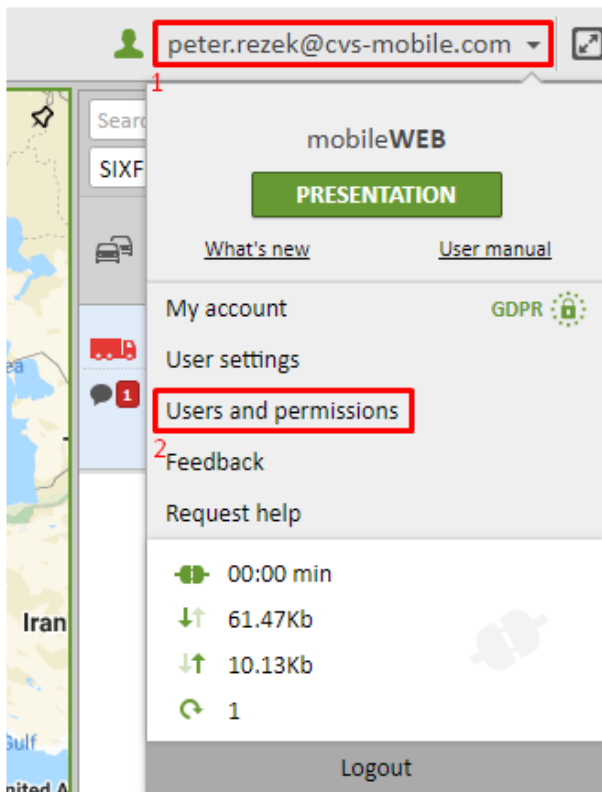

Truck

**PODPORA** 2

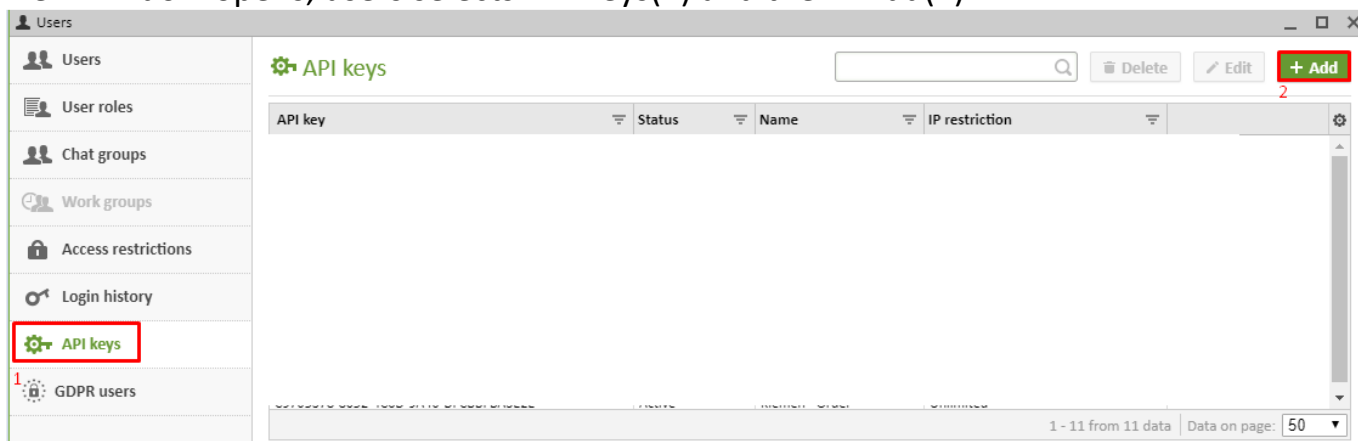

UID-259

3

Step 3: User goes under username(1) and then he chooses Users and permissions(2)

New window opens, users selects API keys(1) and then +Add(2)

User In field "name"(1) enters Kasasi, under Permissions(2) selects following checkmarks:

DataApi:

- VehicleCurrentTemperatureList
- FleetGPSData

Under Vehicle groups(3) user selects selected group or all own vehicles if user didn't created any group

User then presses Save(4)

The screenshot shows the 'Edit API keys' window with the following configuration:

- Name:** Kasasi (1)
- Status:** Active
- IP restriction:** Unlimited
- Permissions (2):**
  - VehicleCurrentTemperatureList
  - FleetGPSData
- ReportingAPI:**
  - VehicleConsumption
  - VehicleConsumptionCompare
  - VehicleFuelling
  - VehiclePaths
  - VehicleUsage
- Vehicle groups (3):**
  - Kasasi

At the bottom right, there is a **Save (4)** button and a **Cancel** button.

Window closes and then user copies API key and sends it to responsible person at Kasasi. For any additional questions you can contact us via email [support@cvs-mobile.com](mailto:support@cvs-mobile.com)
